Dear colleague,

We are pleased to announce **a prize offered by the Canton de Vaud to a high level presentation in the field of 'Efficient Use of Water Resources'** at the Hidroenergia 2010. This « prix du service de l'environnement et de l'énergie du canton de Vaud » is worth of some 1350 euros (CHF 2'000.00) and will be awarded to a student/PhD student whose presentation is selected with best merits.

Please disseminate this information to the persons concerned. We have extended the deadline for the abstracts until 15 January 2010. For more information on calls for proposals and Hidroenergia 2010 please visit www.hidroenergia.eu or send your paper to abstracts2010@hidroenergia.eu

We look forward to seeing you in Lausanne next June!

With best regards,

Hidroenergia 2010 Organizing Committee
